Re: Marshfield Solar Facility Notice of Commercial Operation

Dear Mr. Longo,

This letter provides notice by Washington Gas Energy Systems, Inc. (“Seller”) to The Town of Marshfield, Massachusetts (“Buyer”) that pursuant to the Power Purchase Agreement (“Power Purchase Agreement”) between the parties by virtue of an Assignment and Assumption Agreement dated May 7, 2013, that as of December 19th, 2013 the Solar Facility is 1) mechanically complete and operating, 2) any required LDC System upgrades or resolutions of any other delays caused by the LDC (NSTAR Electric Company) have been complete, 3) all permits and approvals have been obtained, and 4) the facility is providing Output through a LDC Metering Device at the Delivery Point under an approved and executed Interconnection Service Agreement with NSTAR Electric Company. The Commercial Operation Date is herein declared as of December 19, 2013.

Please direct any questions regarding this Completion Notice to Mr. Ed Miller, Senior Project Manager for Washington Gas Energy Systems, Inc. at 703-333-3915, or email emiller@wges.com.

Sincerely,

Sanjiv Mahan

Chief Operating Officer
Washington Gas Energy Systems, Inc.
